**Entech Engineering, Inc. Announces Promotion of  
Tanner A. Sattler, P.G. to Principal**

READING, PA - [Entech Engineering, Inc.](#) (Entech), a full-service engineering/architectural firm providing planning and design services to educational, governmental, industrial, and utility clients, has recently appointed Tanner A. Sattler, P.G. as a Principal of the firm. Mr. Sattler joins the Principal's group as the eighth member of Entech's leadership team.

Jeffrey C. Euclide, P.E., CEM, President of Entech, stated; "We are excited to add Tanner to our leadership team. We look forward to his contribution to help lead our company in the coming years."

Tanner A. Sattler, P.G., has over 15 years of experience in geology and environmental hydrology. Currently, Mr. Sattler leads a capable and growing group of engineering and environmental professionals focused on the Natural Gas industry. He holds an M.S. in Geology from West Virginia University, a B.S. in Earth Science from The Pennsylvania State University, and is a Licensed Professional Geologist in Pennsylvania. Mr. Sattler began his career at Entech in 2009.

**ABOUT ENTECH ENGINEERING, INC.**

Headquartered in downtown [Reading, Pennsylvania](#), Entech has been a full-service provider of engineering and architectural services, since 1981. Our goal is to help our clients make informed decisions by bringing together unparalleled perspectives for the planning, design and construction of building and infrastructure systems. With these perspectives, our clients make better decisions that result in better managing, conserving, and allocating their resources to reach their goals. Satellite offices located in Pittsburgh, Allegheny County; Pottsville, Schuylkill County; Mountaintop, Luzerne County; and Lititz, Lancaster County, provide a strong presence and allow us to better serve our clients.
