Entech Welcomes Christina (Tori) Morgan

Reading, PA - Entech Engineering, Inc (Entech) is pleased to announce the recent hiring of Christina (Tori) Morgan to our team as Compliance Coordinator/Senior Project Manager.

Tori brings thirty years of diverse experience in compliance management, industrial pretreatment, quality control, health & safety, and regulatory support. At Entech, Tori will take the lead on centralizing regulatory and compliance information to help ensure our clients stay abreast of regulatory changes. Tori will also take a lead role to expand our industrial pretreatment portfolio and mentor other employees.

Robert Weir, P.E., Executive Vice President, is delighted to have Tori on board, saying,

“Tori’s addition to our team greatly enhances our ability to provide compliance, operational and regulatory support to our clients. Her technical expertise along with her enthusiasm and commitment to community involvement is a valuable asset to Entech and our customers.”

About Tori:

Tori’s experience includes supervision, compliance management, environmental audits, budget preparation, operations, safety, laboratory, compliance and QA/QC software management, industrial pretreatment and regulatory support. She is also a certified water and wastewater operator in Pennsylvania and New Jersey.

In addition to Tori’s technical achievements, she serves on multiple public and community service boards including Lehigh Valley Planning Commission, Parkland School Education Foundation, Western Lehigh Chamber of Commerce, and is also an elected Commissioner for South Whitehall Township, currently serving as President.
