### Entech Welcomes Rebecca Mason

*Reading, PA* - Entech Engineering, Inc (Entech) is pleased to announce the recent hiring of Rebecca Mason. She joins our water and wastewater teams as a Project Manager.

Rebecca brings both water & wastewater operations and consulting experience from her time as Director of Wastewater Operations at Upper Gwynedd Township, Supervisor of Water Quality & Environmental Compliance at Pennsylvania American Water Company, and as a Sales Application Engineer. Her well-rounded background will make her an invaluable asset to both our internal staff and clients alike.

Bryon Killian, P.E., Executive Vice President, is delighted to have Rebecca on board, saying:

“We are thrilled to welcome Rebecca to our team. Her extensive experience and passion for innovation will undoubtedly elevate our capabilities, ensuring streamlined project execution and exceeding client expectations. With Rebecca's strategic mindset and dedication to excellence, we know transformative outcomes for both our firm and our valued clients are on the horizon.”

### **About Rebecca:**

Rebecca is a graduate of Kutztown University with a bachelor's degree in biology. In her free time, she enjoys hiking with her 2 dogs, Hallie and Bentley, and spending time with her retired horse, Sugar. She is an active member of EPWPCOA and serves on the education and training committee.
