Entech Welcomes Karen Pollock, P.E.

Reading, PA - Entech Engineering, Inc (Entech) is pleased to announce the recent hiring of Karen Pollock, P.E. She joins our water team as a Senior Project Manager.

Karen has more than 30 years of experience working with municipal clients in all facets of public water systems, bringing a wealth of knowledge and expertise. Her energy, resourcefulness and meticulous attention to detail enable her to facilitate collaboration among colleagues and clients alike. Her approach ensures our clients receive exceptional service, guiding them towards the optimal decisions for their infrastructure challenges.

Upon Karen's hiring, Bryon Killian, P.E., Executive Vice President, commented:

"We wholeheartedly welcome Karen to our team. Her in-depth understanding of local municipal operations, expertise in potable water systems and demonstrated abilities in client and project management make her a valuable asset to Entech."

About Karen:

Karen is a graduate of the Virginia Polytechnic Institute and State University in Blacksburg, VA with a bachelor's degree in Engineering Science and Mechanics. She is a registered professional engineer in the Commonwealth of Pennsylvania. In her free time, she enjoys spending time with her family and friends, gardening, and any water sport related activities.
